

The Gods of Ancient Greece

Travel News, by Isobel Warren

Does spiritual energy linger in some of the world's ancient sites? Sacred Earth Journeys of Burnaby, BC, explores that possibility in its *Myths, Heroes, Gods, and Goddesses of Ancient Greece* tour (June 12-22, 2012). The 11-day trip will be led by Phil Cousineau, author of *The Art of Pilgrimage*, and begins in Athens with a visit to the celebrated Acropolis. Other highlights include Delphi, the Temple of Apollo, Olympia, Mystras, Sparta, Mycenae, and the island of Santorini, where you'll learn about the ancient Minoan civilization and the mythical lost city of Atlantis. An optional extension tour to Crete, Greece's largest island and the legendary birthplace of Zeus, is also available. The trip is priced from \$3,850 US, and the six-day *Crete Encounter* is an additional \$1,220 US. Visit www.sacredearthjourneys.ca or call 1-877-874-7922 for details.
